

Oh, really? What a surprise! I mean now you've got a real - life "oops" moment to tell your grandkids about.

This exam's just a warm up for all your future academic wins. It's like a video - game practice round before a major level - up. Don't be too down!

Oh, my dear. Failing an exam can feel like the world's ending. I know that sick feeling inside. But you are so much more than this one test result.
